Local Bargaining Report #6

Thursday, July 23, 2015

New Jersey Local bargaining continued today with the Union rejecting certain company proposals which were originally made at the Regional table. The company for its part rejected all of the Union's proposals relating to CST, Test Calls, In-Charge Differentials, Excused Workdays, Vacation Days, and treatment of settlements and arbitration awards.

Discussions continued on the company's proposal to eliminate the Inclement Weather Policy.
